On the 9th of July, at . Eyarsh, Kent, in his bight, fourth year, William John, Little, M.D., F.E.C.P.

HONGRONA, JULY 19ти, 1894; THE Secretary of Legation at Poking, in the concluding paragraph of his presis of the Decenuial Reports of the Imperial Maritime. Customs, takes a very pessimistic view of the condition and prospects of foreign trade Court. Bangkok, the jury awarding the plaintiff in Chiua. He considers that the conclusion , of the whole matter inevitably is that the trade conducted by foreigners in China has made that little progress during the ten years 1 82-91, that it does not promise any tolegrom on Tuesday from the mines. It has immediate or e disiderable advance, and that foreign influence and interests therein have throngs. There is no free gold. Prospects are decreased and deseriorated to an an ciable extent. Some remarks in a similar same a anpear in the last report of the Commissioner of Customs at Lappa. Referring to the full. Timet. :- A large number of Chinese at this ing off in foreign imports, Mr. Hippister says the explanation must be sought in causes of ness are going to bombird l'amani. Chinese general rather than of mere local application. After pointing out what he considers the The probability now is that there will be no hoped that a vast improvement in the weather the sud of the invasion, on one point there is erroneousness of the belief that because the war, but had bontilities broken out no doubt the and consequently in the returns will be noticed universal agreement, that the execution of the population of China is humbered by Japanese would have made a dash at Formosa. bundreds of millions, this Empire must. therefore afford an almost boundless market which arrived at Singapore on the 9th inst., re- and to the weather alone must this be affributfor foreign goods, he goes on to say that ports having encountered a heavy typhoon at ed Mr. J. THE DEVELOPMENT OF ASCOT.

Another race meeting at Ascot was held in Monday, the 17th September, there was a plate of 30 gainess for horses that had not woo any evert of the value of £20, each one to carry 10 atones. The winner was to be sold for 30 guineas, and the rest of the borses for 40 guineas each. There were only three entries probably owing to the old conditions and the result has not been preserved. there were frequent lapses of the gatherings al-But Ascot has never looked back since those days when the First Gentleman in Europe, and

all the Court and Society, took to going to Ascot. During the reign of our present Queen, commodious and handsome stands have been built on the Heath, and during the time that Prince Consert was alive her Majesty used to appear in semi-strike A sout on the Tuesday and Thursday. After in decision of the Assot Stakes in 1839, her Majesty commanded the rider of the winger, a little boy named Forth, to be brought before her. The boy, who, it may be easily imsgined was highly delighted by such a unique honour was presented to the Queen by the Earl of Liebfield. The Queen praised Master Forth AFRICANS AT ASCOT To those who take no interest whatever in

he never will. And both the jookeys who rode these and "Black and White "-that most excellent great equino celebrities are no longer seen in the weekly illustrated journal gave a translation of The inimitable Tom Cannon has handed this diary. I have my suspicious that " Black over his whip and spure to his talented son and White "were claserly playing a game of Morny," and Johnny Osborne has at last given "spoof"—as it is termed—but for all that the way to younger, though certainly not abler men. so called impressions of the gentleman with the lut to return to the value of the stakes wen at unpronounceable name are worth producing in Ascot. AND STRAITS. for students of a most instructive nature. Poth the Court and Punti pronunciations are given the accents being carefully marked on the best being landed and placed at their risk in the principle hitherto attained. The typography Chinese and English type correspond in the size consignment will be sorted out mark by mark of body, thereby effecting a vast economy of and delivery can be obtained as soon as the goods space, achieving a disarness not previously attained, and dispensing with those yast margins

and vacant spaces which have heretofore characterized Chinese publications. To illustrate the vast scope of the work the. following facts are submitted for consideration :- | P.M. will be subject to rent. Chalmers Vocabulary contains about 15,000 Chinese characters, and Medhurst's English any case whatever, and Chinese Dictionary about 100,000, whilst this work contains more than 50,000 English Godowns and notice of same given to the Unwords, and upwar is of 600,000 Chinese charac- dersigned, when a representative of this Office ters. Again, despite all the grammars and will attend to examine them at 10 A.M. on the other elementary works as yet published, the 21st and at 10 AM, on the 24th instant, after student of this difficult language absolutely re- which no claims will be recognised. quires examples to display the various appli-cations and equivalents of different words which

have one general meaning. Of these examples this work contains more than five times as many as any other Dictionary hitherto pub-For practical purposes the arrangement of he work is so complete, that a reference to its pages enables a person who understands English to communicate effectively with natives who understand nothing but Chinese. In this respect the work will be found indispensable to all Europeans residing in China, and to the natives themselves it explains subjects fully with which

in China it cannot but be invaluable occasion. from alongside. 4 Vols. IMPERIAL QUAETO, Price. \$20.
